

Olympic Community of Health

MCO Sector Representation Policy

Originally approved by the OCH Board of Directors in the Consent Agenda June 1, 2016

Updated May 10, 2021

The Washington State Health Care Authority (HCA) contracts with health plans to administer Apple Health (Medicaid) across the state. Apple Health offers integrated managed care plans in all regions statewide that coordinate physical health, mental health, and substance use disorder treatment services for most Medicaid beneficiaries. Currently, HCA contracts with Molina Healthcare, Amerigroup, Coordinated Care, United Health Care, and Community Health Plan of Washington. Medicaid Managed Care Organizations (MCO) are important partners in Medicaid Transformation and therefore should have a role in the governance of Olympic Community of Health (OCH).

In collaboration with MCO partners, the following apply to MCO representation on the OCH Board of Directors:

- Medicaid MCO representation on the OCH Board is limited to those health plans that successfully win bids under the HCA Request for Proposal (RFP) process and under contract with HCA in the Olympic region (Clallam, Jefferson, and Kitsap counties).
- One board seat be provided to the MCOs with one vote. MCO representatives will rotate on an annual basis using the calendar year. The MCO sector notify the OCH Board of Directors one month prior to the end of each term to inform the Board about which person will rotate on for the next term. Terms for the MCO sector will cycle annually, on the January – December cycle.
- While MCOs will have a rotating seat, they encourage OCH to maintain meetings so MCO sector peers can be present. The sector will strive to be prepared for votes, by reviewing agendas ahead of time with the sector team to ensure an educated vote that represents the sector view. This is assisted when specific items that will be voted on are shared in advance of the meeting.
- All participating MCO representatives may engage in Board discussions, but ultimately there is one MCO vote. If the MCO sector board member is absent, another MCO representative shall be designated to vote on behalf of the sector.
