

## Olympic Action Collaboratives 2022 Meeting Schedule

In-person attendance is encouraged to facilitate optimal collaboration.

### COVID-19 Protocols:

To best protect and honor everyone's safety, county and venue-specific safety precautions are followed at all OCH events. At this time, OCH is also requiring proof of up-to-date COVID-19 vaccination for in-person attendance, in support of the health-serving workforce.  
*Up-to-date means fully vaccinated and have received a booster dose if eligible.*

Event specific safety protocols will be shared one week in advance. OCH encourages participants to take additional safety precautions as they aid in personal comfort.

Please contact [och@olympicch.org](mailto:och@olympicch.org) with any questions or concerns.

A **Zoom** link will be available for those more comfortable attending virtually.
