People came away more aware and equipped to be the safe, open people our community needs to move us toward less stigma.

- Stigma presentation participant

OCH has made it possible for us as housing providers to support our community in a better way, teaming up with medical providers for the benefit of the customer.

- OlyCAP

"A client reported how awesome the [Care Connect] program was and how much it helped her and her family."

- OCH partner

For an organization to be truly trauma informed, it has to come down to all levels. [...] it’s a systems approach.
