

COVID-19 Conversation Starters

ICEBREAKERS TO CHECK-IN ON ONE ANOTHER DURING THESE DIFFICULT TIMES:

- Are you working on any creative projects at home?
- What are you most excited for when things start to reopen?
- How are you coping with having the kids home?
- How are you doing with your recent change in employment?
- How can I support you during this "Stay Home" order?

How are you staying connected during COVID-19?

Stay Healthy. Stay Connected.
